SKILLS

- Python
- HTML
- CSS
- JavaScript
- Django
- VS Code
- Excel
- Adobe Photoshop

EDUCATION

SECONDARY SCHOOL

Amsi High School

2017

HSC/INTERMEDIATE AND PUC

Govt. Higher Secondary School

2017-2019

BSC COMPUTER SCIENCE

Manonmaniam Sundaranar University

2019-2022

PROFILE

Enthusiastic and detail-oriented recent graduate with a Bachelor's degree in Computer Science. Eager to contribute my strong technical skills in web development, including proficiency in Python, Django technologies, to a dynamic team. Seeking a challenging position where I can leverage my education and hands-on project experience to drive innovation and contribute to the growth of a forward-thinking organization in the tech industry.

PROJECT

WEATHER APP USING DJANGO

- Developed a weather application using Django framework, showcasing proficiency in full-stack web development.
- Implemented features to fetch real-time weather data using third-party APIs, enhancing user experience.
- Designed and implemented a responsive user interface for seamless interaction on various devices.
- Utilized Django ORM for database management and integrated user authentication for personalized experiences.
- Implemented data caching mechanisms to optimize application performance and reduce API calls.
- Technologies Used: Python, Django, HTML, CSS, JavaScript, RESTful APIs.
- Tools Used: VS Code

CERTIFICATION

- Certification Name: Python Programing Language
- Provider: Trinity Software Technologies
- Completed date: [31,October,2023]
- Key Topics: OOPs concept, Modules, Exceptional Handling, File Handling, Database, MYSQL, Data Manipulation
