EDUCATION

Nesamony Memorial Christian College, Tamilnadu   *June 2019 - May 2022*
Bachelor of Science in Computer Science

Government Higher Secondary School, Tamilnadu   *July 2017 - April 2019*
HSC/Intermediate and PUC

PROFILE

I am an enthusiastic and detail-oriented recent graduate with a bachelor's degree in computer science. I am eager to contribute my strong technical skills in web development, including proficiency in Python and Django technologies, to a dynamic team. I am seeking a challenging position where I can leverage my education and hands-on project experience to drive innovation and contribute to the growth of a forward-thinking organization in the tech industry.

EXPERTISE

Python, Django, and Sqlite3
HTML, CSS, Javascript, Bootstrap, Excel, and Photoshop

PROJECTS

WEATHER APP USING DJANGO

- I developed a weather application using the Django framework, showcasing proficiency in web development.

- Implemented features to fetch real-time weather data using third-party APIs, enhancing the user experience.

- Designed and implemented a responsive user interface for seamless interaction on various devices.

- Utilized Django ORM for database management and integrated user authentication for personalized experiences.

- Implemented data caching mechanisms to optimize application performance and reduce API calls.

- Technologies Used: Python, Django, HTML, CSS, JavaScript, RESTful APIs.

- Tools Used: VS Code.

CERTIFICATION

- **Certification Name:** Python 3 Programming Language

- **Provider:** Trinity Software Technologies, Thiruvananthapuram, Kerala

- **Completed Date:** 30 October 2023

- **Key Topics:** OOP concept, modules, exceptional handling, file handling, database, MYSQL, data manipulation
